## Two Ways to Join:

### Membership Classes:

#### Full Share Membership:

The traditional method of joining Condair Flyers is to pay the full equity share at the time you join. Full Share members pay \$115/month dues. Full share members have full flying privileges and can vote on Club business.

#### Family Membership:

The family membership is designed for families with multiple certificated or aspiring pilots. Minimum age of 18 and the family member must be an immediate family member living at the same address.

Each Full Share member may have one family member join Condair Flyers and under his/her equity share. A Family Member must pay his or her own \$115/month dues, but is not required to purchase an equity share. The family member is responsible for assessments which may be made from time to time but not responsible for equity increases. A Family Member may reserve aircraft whenever the Full Share member does not have an aircraft reservation, and may not vote on Club business

These descriptions are meant to be a simplified overview of our membership classes. See our by-laws for full details, contact the club secretary for a copy of the by laws
